Help us Celebrate Strathroy's 150th Birthday!

Dear community partner,

The year 2010 marks an important milestone for the town of Strathroy—our community will mark its 150th anniversary. And we invite you to join the celebration!

By branding any event your organization hosts this year as a community “Strathroy 150” celebration, you can not only spread the excitement of our sesquicentennial—you’ll receive help in promoting your event!

It’s simple: use the “Strathroy 150” logo on your website, advertisements, or any promotional effort related to your event, and you will officially become an anniversary partner and receive some great benefits.

Official partners can:

- Use “Strathroy 150” logos and promotional materials to market your project or event as an official anniversary event;
- Have your project or event advertised as an official “Strathroy 150” event on our partner webpage at www.strathroy150.ca;
- Post a link to your website, or other contact information, on the “Strathroy 150” partner web page;
- Be included in special partner advertising.

Strathroy’s 150th anniversary is an exciting time to remember the determination of our founders, and celebrate the spirit that makes our community so great today. Join the party by becoming an official “Strathroy 150” partner organization today!

To pursue this exciting partnership opportunity, please contact:

Brianna Hammer, Museum Assistant
Museum Strathroy-Caradoc
